

Tunebook ABC - D Whistle CheatSheet

This rendering of the tunebook is a 'CheatSheet' that shows the first couple of bars of each tune along with the D whistle fingering to make it easier to find or remember how to play a particular tune.

This tunebook is the result of a transcription into ABC notation (<http://abcnotation.com/>) of the tunes provided by Tuneworks (<https://www.tuneworks.co.uk/>) in support of the workshops and sessions they run at a number of UK folk festivals. While lots of versions of most of these tunes are already available in ABC on sites like The Session, the ones here are intended to be note-for-note identical to the versions in the Tuneworks Tunebook.

A PDF copy of this music and the ABC notation from which it was produced and the same music in other formats can be downloaded from <https://brsn.org.uk/tunebook-abc/>
