

Tunebook ABC CheatSheet

second edition

This is a rendering of the Tuneworks tunebook as a 'CheatSheet' that just shows the first couple of bars of each tune to make it easier to find a particular tune.

This tunebook is the result of a transcription into ABC notation (<http://abcnotation.com/>) of the second edition of the Tuneworks Tunebook, provided by Tuneworks (<https://www.tuneworks.co.uk/>) in support of the workshops and sessions they run at various UK folk festivals. While versions of most of these tunes are already available in ABC on sites like The Session, the ones here are intended to be note-for-note identical to the versions in the Tuneworks Tunebook.

The ABC notation, and the results of processing it into various other formats (including this one) can be downloaded from <https://brsn.org.uk/tunebook-abc/> The tools used to produce all of this can be found on GitHub at <https://github.com/jw35/tunebook-abc>
