

Tunebook ABC - Dulcimer melody TABs for 'A'

This rendering of the tunebook includes simple tabs for Mountain Dulcimers that have their melody string(s) tuned to 'A' (D-A-A, etc.). These melodies will only work if the drone strings are tuned appropriately for the corresponding tune's key.

Instruments without an '8½' fret are going to struggle to play anything in the key of 'G' because they won't be able to play 'C♯'.

This tunebook is the result of a transcription into ABC notation (<http://abcnotation.com/>) of the tunes provided by Tuneworks (<https://www.tuneworks.co.uk/>) in support of the workshops and sessions they run at a number of UK folk festivals. While lots of versions of most of these tunes are already available in ABC on sites like The Session, the ones here are intended to be note-for-note identical to the versions in the Tuneworks Tunebook.

A PDF copy of this music and the ABC notation from which it was produced and the same music in other formats can be downloaded from <https://brsn.org.uk/tunebook-abc/>
