

Tunebook ABC - DAD/DGD Dulcimer TABs

This rendering of the tunebook includes simple melody tabs for Mountain Dulcimers. All the tunes in the key of D appear in the **first half** and assume D-A-D tuning; tunes in the key of G appear in the **second half** and assume D-G-D tuning. The two tunes in the key of A are not included.

This tunebook is the result of a transcription into ABC notation (<http://abcnotation.com/>) of the tunes provided by Tuneworks (<https://www.tuneworks.co.uk/>) in support of the workshops and sessions they run at a number of UK folk festivals. While lots of versions of most of these tunes are already available in ABC on sites like The Session, the ones here are intended to be note-for-note identical to the versions in the Tuneworks Tunebook.

A PDF copy of this music and the ABC notation from which it was produced and the same music in other formats can be downloaded from <https://brsn.org.uk/tunebook-abc/>
